# Congratulations!

Nice job figuring how to get an invitation to the the Epsilon Omega Delata party. They're definetely up to something shady, now you just need to figure out what. Head over to the party and see what you can discover.

## Chapter 1: Friday PM

---

Welcome Freshmen! We're so glad you decided to join us here at historic Miskatonic University. We hope you are settling in and are ready for your first day of classes. Before we jump right into things we'd like to invite you to spend the evening at the activity fair. There are a lot of fantastic organizations on the Miskatonic University campus and we hope you will take this opportunity to learn about a few of them.

The yearbook looks like an interesting group to join, how interesting to see all of those old books dating back hundreds of years.

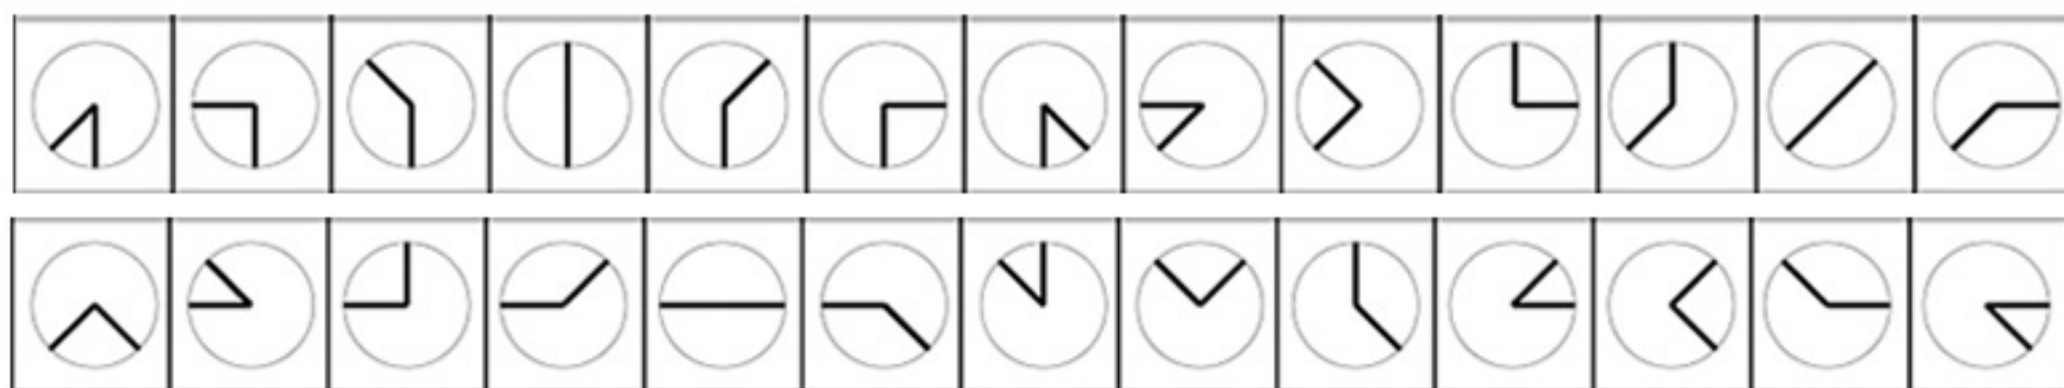

Who knew Miskatonic University has such an accomplished track team? National standings, famous athletes, world records!
